## Letter from Administrator

Dear residents, families and friends,

Happy August! I hope everyone is having a wonderful summer so far. We recently had our annual state survey and I am

happy to announce that Edgerton Care Center is deficiency free! I am very pleased with the hard work and dedication that each employee has given to make our survey a success. Great job!

A deficiency-free survey is your assurance that we meet or beat requirements set by the state of Wisconsin for a high quality nursing home. Residents and families can be assured they've chosen the best place for care, whether it be long term skilled nursing, short-term inpatient therapy or outpatient therapy services. – **Nicole Hayes**

## Resident Testimonial

*I have had two positive experiences with Edgerton Care Center's Physical Therapy Department. An impingement to my left shoulder which made me unable to raise my arm above shoulder level. After several sessions and exercises to do at home, the pain was decreased and mobility has improved, enabling me to reach into upper shelves in cupboards.*

*More recently knee and hip pain made going up stairs difficult, having to take one step at a time and pulling up on the hand rail. I am pleased to report that stairs are no longer a problem. The work that included education about proper body alignment and home exercises has relieved the limitations I once experienced.*

*The staff have all been very professional, friendly and supportive. I could not be happier to recommend this group to anyone. – J.L.*

## Resident of the Month: Shirley S.

Our resident of the month is Shirley S. It is a joy to have her in our home. She is kind

and friendly and always has a smile on her face. Shirley joins in most of our activities unless she is using the NuStep machine. She enjoys doing puzzles, word searches, listening to music, and most of all Bingo. Shirley's family visits often and takes her out to get rhubarb ice cream. We thank her for choosing to join our family at Edgerton Care Center.

## Letter from the Interim Activity Director

Summer is here, and everything is looking beautiful. We are spending as much time as possible getting residents outside for walks, rides, and just sitting on the patio watching the fish and frogs in the pond.

We had many things going on in July. We watched the 4th of July fireworks from our dining room window; It's the best view in town and no mosquitos. We listened to special music by the "Jammin for Jesus" singing group, which was enjoyed by all. We also got to go outside to watch the Tobacco Day parade and had lots of candy thrown to us. We are blessed to have such wonderful residents to do fun activities with. Wishing everyone a safe and happy summer.

**Cindy Gardner and ECC Team**

*Everyone enjoying the monthly birthday party*

*Sam dancing to Patsy Cline music.*

*Entertainer/singer made sure she talked to every resident during her program.*

*The fishpond is being enjoyed by many during this warm weather.*

*Betty and other residents thoroughly enjoyed watching and listening to the "Patsy Cline Music Tribute."*
