Letter from our Activity Director

Quarantine precautions remain in place, but we continue to have activities such as crafts, cannonball drop, trivia, manicures, hallway walks in room visits. We continue to connect with families using Zoom calls, FaceTime, and Google-Duo calls. If you wish to reach out to your loved ones, let us know and we will help arrange a call.

Our staff have been taking residents outdoors to enjoy the fresh air and soak up the sun. They are all very excited to see how much the fish have grown and count the frogs. They love just being outdoors. Smiles and laughs are what it's all about!

Even though the fireworks show was canceled at the park this year, the 4th of July celebration still happened near ECC. Many of our neighbors put on a show with their own fireworks. Our residents were able to look out their windows to see the sky light up with the many beautiful colors.

Again, we want our residents, families and staff to know how much we appreciate everyone's patience and positivity during this time. We are a team and we will meet these challenging times together.
